

## BE A VOICE™ FOR COMPASSION

*"When I was younger, I'd think about getting married and having kids someday. I knew I'd be the kind of dad they could depend on, who kept them safe and made them laugh. But when my girlfriend got pregnant, I panicked. So, she had an abortion. Now I feel like a phony. I did become a dad — but when my child needed me, I wasn't there."*

The Lord wants Josh to receive His forgiveness and healing. But a big part of that involves His people — people like you.

Will you be a voice for compassion?
