I Need Your Love

Verse

verse 1- When I'm just a tiny seed that grows inside of you -
verse 2- When you finally see my face just hold me in your arms

1- Give me safety that I need 'cause I depend on you -
2- When I start to walk away don't let me go too far

Chorus

I need your love - I need your love -

I need your love every moment of my life -

Verse 3 - modulate to key of C Major

Be careful of the life you lead
'Cause I will follow you

Teach me that He died for me

So I will know the truth

I need His love

I need His love

I need His love every moment of
My life.
