

BE A VOICE™ FOR TRUTH

“You’d be shocked at how many women in church pews have had an abortion. I know, because I’m one of them. I was a pastor’s daughter and Christian college student headed to grad school when I got pregnant and—feeling backed against the wall—chose abortion. I had never heard the issue addressed, either at home or at church. I thought the silence meant it wasn’t a big deal. How wrong I was. ‘Choice’ was sold as an answer; instead, it became a devastating betrayal. But the Lord has taken the ashes of my decision and created beauty as I tell the truth.”

The Lord wants people like Carrie to know the truth before they make a desperate, destructive choice. But He works through His people—people like you.

Will you be a voice for truth?
