

I NEED YOUR LOVE / CJ's Song

Jen Phillips

"And whoever welcomes a child like this in My name welcomes Me. But if anyone causes one of these little ones who believes in Me to sin, it would be better for him to have a large millstone hung around his neck and to be drowned into the depths of the sea."

Matthew 18: 5 & 6 (NIV)

When I'm just a tiny seed
That grows inside of you
Give me safety that I need
'Cause I depend on you

I need your love
I need your love
I need your love
Every moment of my life

When you finally see my face
Just hold me in your arms
When I start to walk away
Don't let me go too far

I need your love
I need your love
I need your love
Every moment of my life

Be careful of the life you lead
'Cause I will follow you
Teach me that He died for me
So I will know the truth

I need His love
I need His love
I need His love
Every moment of my life
