

Single Moms & Pregnant Women

- Pray for those women who are pregnant and considering an abortion and don't know where to turn. Pray that they will receive love, compassion and support from God's people, and that they would choose life.
- Pray for the mothers who have chosen life. Ask that God would provide for them and their children.
- Pray that local churches will rally behind Pregnancy Resource Centers with supplies, prayer and support.
- Pray for local Pregnancy Resource Center directors across the country—that they would be encouraged, uplifted and protected.

Children & Adults with Special Needs

- Pray for the health of children and adults who are immunocompromised and facing ongoing uncertainty.
- Pray for the families caring for their immunocompromised loved ones, that they have the strength and peace of mind they need each day.
- Pray for our culture to selflessly put the health of those with compromised immune systems at the front of the decisions they are making.
- Pray for the mental health of individuals with compromised immune systems as they strive to overcome fear and lead with trust in a situation they have such little control of.

Elderly & Adults in Nursing Facilities

- Pray for the health of elderly family and friends, and for their caregivers.
- Pray for the families with loved ones in nursing facilities as they navigate caring and advocating from a distance.
- Pray for the endurance of medical staff and caregivers in nursing facilities.
- Pray that the elderly who feel isolated during this time will feel the love and support from those around them through unique and intentional connections.

Children in Foster Care

- Pray for families as they manage parenting during challenging and uncertain times. Pray that they receive love and support from those around them, that they wouldn't feel abandoned and hopeless.
- Pray for foster families. Pray that God grants them wisdom in nurturing and supporting the children in their care. Pray that they utilize creative ways to engage the children while school is out.
- Pray that local churches reach out to foster and adoptive families with prayer and support.
- Pray for child welfare staff as they navigate serving families and children. Pray for their protection, strength and wisdom as they serve their community.
- Pray for youth aging out of foster care to connect with caring, supportive adults who will be a lifeline for them and speak wisdom into their lives.
- Pray that aging out youth will be hired by employers that will support their emotional growth and equip them as they learn to navigate being a part of the work force.
