1. Cut around puzzle edge. (If you don't want to cut your magazine, you can make a color copy or print one from [clubhousemagazine.com](http://clubhousemagazine.com).)
2. Glue puzzle to foam core that's the same size. Let dry.
3. Cut out individual puzzle pieces and hide them around the room.
4. Invite your mom in and ask her to hunt for the puzzle pieces. Tell her if she's hot or cold until she finds every piece.
