

# PRAY TO End Abortion

## Parents

- Pray that the Lord leads expectant parents to supportive and hopeful resources.
- Pray comfort and courageousness for the parents experiencing unexpected pregnancies.
- Pray the Lord provide these parents with hope and clear vision for their future and the future of their children.

## Culture

- Seek the Lord on what little things you can do to help soften hearts towards a culture that values life in the womb.

## Politics

- Pray that pro-life advocates are able to effectively engage in politics.
- Pray that the Lord saturate the political arena with strong men and women who he has equipped.

## Science

- Pray that scientists and medical professionals develop a desire for their fields to clearly define when life occurs in the womb.
- Pray for conviction and compassion to flood the hearts of abortionists and abortion activists.
