

FOCUS ON THE FAMILY clubhouse DISCUSSION GUIDE

MARCH 2021

The March 2021 issue of **Focus on the Family Clubhouse** champions service as a way of life. After reading the stories inside, kids will feel inspired to step out and serve their community.

"Serve one another through love." —Galatians 5:13

After your child or grandchild has read the magazine, go through these questions as a family (you may even want to read the stories yourself).

Chicken, Anyone? (pp. 6-7)

- 1 Did you ever receive a gift you didn't really want or couldn't use? How did it make you feel, and what happened to the gift?
- 2 What's worse: giving a bad gift (like the chickens in the story) or giving no gift at all?
- 3 Is it possible to serve for the wrong reasons? How? What are the right reasons?
- 4 What are a couple of ways you can use the tips from the story to help people in your life?

Servant of All (pp. 12-13)

- 1 When's the last time you helped someone outside of your family?
- 2 What stops you from helping others?
- 3 Service takes courage, so how can we encourage each other to serve?
- 4 Would you rather serve your siblings or your neighbors? Why?

Helping Paws (pp. 20-21)

- 1 Malachi had to wait over a year to get accepted into the training program. Would you rather wait to serve

in a way that you really want to do or find another way to serve right now? Why?

- 2 Training a dog takes time. What activity are you willing to give up so you have time to serve?
- 3 Is it hard to do your best work when you know you won't get to enjoy the results? Why or why not?

Fútbol After the Flood (pp. 24-27)

- 1 Service flows from a thankful heart. Make a list of three things you're grateful for. Thank God for taking such good care of you.
- 2 Karla told Franklin to "just do whatever you do best." What skills or talents can you use to help others?
- 3 Franklin thought he'd have to give up his soccer dream to help his church. But God worked it out for him to still make the team. Has God ever blessed you when you chose to help someone or did something difficult for Him? Why is it important to serve with no expectation of blessings in return?

Family Prayer:

Lord, we want to serve. Give us eyes that see the needs around us, hearts that care for others and hands that rush to help. May we demonstrate Your love through acts of joyful service.
