In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. The mission of Focus on the Family is accomplished through many ministry activities that include radio broadcasts, periodicals, books, films, videos, internet, and events which share the Gospel of Jesus Christ with constituents, schools, churches, and the public at large in the United States, as well as around the world. The primary sources of revenue are contributions from individuals, businesses, foundations, sales of books and audio-visual materials, and events.

FOF is a nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) and comparable state laws. PCE was formed on March 11, 2011 under the laws of Colorado. PCE's legal year-end is December 31, however, for comparability the presentation in the consolidated financial statements reflects the balances and activities for the years ended September 30, 2020 and 2019.

RezilientKidz (RK) was organized on March 11, 2011, as a nonprofit educational corporation under the laws of Colorado and is a nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) and comparable state laws. 2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:</u>

FOF maintains its accounts and prepares its consolidated financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of any contingent assets and liabilities at the date of the consolidated financial statements, and the reported revenues and expenses during the reporting period. Actual results could differ from the estimates. The significant accounting policies followed are described below to enhance the usefulness of the consolidated financial statements to the reader.

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the consolidated financial resources and activities of FOF, PCE, RK, and FocusLA which will be collectively referred to as Focus. All material transactions and balances between the entities have been eliminated in the consolidation.

In 1983, a related entity, Focus on the Family (Canada) Association, was formed under the nonprofit laws of Canada. In addition, FOF works with several other related organizations throughout the world. These related organizations are legally separate from FOF, and each organization is governed by an independent board of directors; therefore, the assets, liabilities, net assets, and results of their activities have not been included in this report.

CASH AND CASH EQUIVALENTS

Focus considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash includes demand deposit accounts, commercial paper, and money market accounts recorded at cost, which approximates fair value. As of September 30, 2020 and 2019, Focus has cash and cash equivalents on deposit with financial institutions, including restricted cash, that exceed the federally insured (FDIC) balance by approximately \$15,052,000 and \$13,900,000, respectively. Focus has not experienced any losses in such accounts and believe they are not exposed to any significant credit risk on cash and cash equivalents.

CASH RESTRICTED FOR LONG-TERM PURPOSES

Cash restricted for long-term purposes consists of amounts restricted by a donor for the future purchase of property and equipment.

RESTRICTED CASH

Restricted cash consists of amounts held as a compensating balance for the bank that extended the line of credit and the letters of credit.

Notes to Consolidated Financial Statements

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

INVESTMENTS

Investments are carried at fair market value, with realized and unrealized gains and losses included as revenue without donor restrictions in the consolidated statements of activities. Certificates of deposit are recorded at cost. Donated investments are recorded at the fair market value on the date of donation and thereafter carried in accordance with the above provisions.

ACCOUNTS RECEIVABLE

Accounts receivable consist primarily of receivables from events, licensees, trade sales, and tenant improvements. Accounts receivable are net of an allowance for uncollectible accounts of \$3,000 and \$0, as of September 30, 2020 and 2019, respectively. The allowance for doubtful accounts is maintained at a level that, in management's judgment, is adequate to absorb possible losses. The amount is based upon an analysis of overall trade receivables by management that includes, but is not limited to, the historical experience of payment patterns from the customer, financial condition of the customer, other known facts and circumstances and general economic conditions. This process is based on estimates, and ultimately losses may vary from current estimates. As changes in estimates occur, adjustments to the level of the allowance are recorded in the provision for doubtful accounts in the period in which they become known. Receivables are written off when all methods of collection have been exhausted.

INVENTORY

Inventory consists of books, literature, and audio-visual materials, which are recorded at the lower of cost or net realizable value, using the weighted-average cost method (this method approximates the first-in first-out methodology).

PLEDGES RECEIVABLE

Pledges receivable are unconditional promises to give that are recognized as assets and support in the period made and are recorded at their estimated net present value. The recorded value includes an allowance for uncollectible amounts of \$56,000 and \$83,000, as of September 30, 2020 and 2019, respectively. This allowance is calculated based on the historical collectability of the related pledges.

PREPAID EXPENSES

Prepaid expenses mainly consist of prepaid service contracts and advance royalties as of September 30, 2020 and 2019.

PROPERTY HELD FOR INVESTMENT

As of September 30, 2020 and 2019, management has reclassified a total of \$1,528,562 from property and equipment to property held for investment. As of September 30, 2020 and 2019, FOF has recorded this property held for investment as a non-current asset to fund future investments in the Highlands at Briargate I, LLC. Property held for investment is held at the lower of cost or fair market value.

Notes to Consolidated Financial Statements

September 30, 2020 and 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

FILM PRODUCTION COSTS

Film production costs are amortized over the estimated period during which the related income is expected to be earned (three to five years). At September 30, 2020 and 2019, accumulated amortization was \$31,232,000 and \$30,940,000, respectively. Focus periodically reviews film production costs for impairment, retirement, or abandonment. Upon impairment, retirement, or abandonment, the cost of the assets disposed of and the related accumulated amortization are removed from the accounts and any resulting gain or loss is reflected.

PROPERTY AND EQUIPMENT-NET

Property and equipment are recorded on the basis of cost, or estimated fair value if donated. Focus capitalizes most purchases in excess of \$20,000, with lesser amounts expensed in the year purchased. Software purchases are capitalized if the amount is in excess of \$100,000. Upon retirement or sale, the cost of the assets disposed of and the related accumulated amortization are removed from the accounts and any resulting gain or loss is reflected in operations for the period. Depreciation and amortization are provided using the straight-line method over the following estimated useful lives of the assets:

	Estimated Useful Lives
Land improvements	10 years
Buildings and building improvements	20-30 years
Furniture, equipment, and software	2-7 years
Website	3 years

OPERATING LINE OF CREDIT

In 2019, FOF renewed a line of credit with a bank for \$14,685,624, which was renewable annually by the Lender and matured on July 3, 2020. Advances under the agreements bore interest at the Lender's Prime Rate (the "Index"), which was 5.50% as of September 30, 2019. The line of credit was collateralized by real property. As of September 30, 2019, there was no outstanding balances on the line of credit and there were no borrowings during the fiscal year ended September 30, 2019. This line of credit was not renewed.

Notes to Consolidated Financial Statements

September 30, 2020 and 2019

2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:</u>

LETTER OF CREDIT

During both of the years ended September 30, 2020 and 2019, FOF maintained a letter of credit with a bank in the amount of \$314,376 for the benefit of the Colorado Department of Labor and Employment. If FOF were to fail to pay unemployment obligations, the bank could draw upon this letter of credit to pay the obligation. As of September 30, 2020 and 2019, there were no outstanding balances on the letter of credit and there were no draws during the fiscal years ended September 30, 2020 and 2019. The letter of credit expires July 3, 2021.

DEFERRED INCOME

Deferred revenue is recorded for the unearned portion of subscriptions, event pre-registrations, tuition, advertising, and the advance royalties received on book and film resources. Revenue is recognized as earned; when the related products are fulfilled or events are held. As of September 30, 2020 and 2019, \$676,000 and \$836,000, respectively of deferred income was collected from various donors related to a conditional pledge. For 2020, if \$1,130,000 is collected before the end of the pledge period, other donors will match the \$1,130,000 and all funds will be recognized as revenue by Focus. If this threshold is not met, Focus must return all amounts collected to the various donors. For 2019, the match was met and all the revenue was recognized.

CLASSES OF NET ASSETS

The net assets of Focus are reported in the following categories:

Net assets without donor restrictions consist of amounts currently available for use in the ministries of Focus and resources invested in property and equipment. During the years ended September 30, 2020 and 2019, the reserve for annuities kept by Focus was approximately \$369,000 and \$424,000, respectively.

Net assets with donor restrictions consist of unexpended, donor-restricted contributions and pledges receivable for special projects, and contributions with time restrictions attached, and unexpended endowment funds subject to restriction of gift instruments requiring that the principal be invested in perpetuity. Some disclosures required by the Reporting Endowment Funds subtopic of the Financial Accounting Standards Board Accounting Standards Codification have not been included in these financial statements due to immateriality.

The management of Focus has interpreted the Colorado Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, Focus classifies as net assets restricted in perpetuity (a) the original value of the gifts donated to the permanent endowment, and (b) the original value of subsequent gifts to the permanent endowment. Thus the net assets restricted in perpetuity reflect the historical cost value of the endowment.

Notes to Consolidated Financial Statements

September 30, 2020 and 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

CLASSES OF NET ASSETS, continued

Focus has a policy consistent with the intent of the endowment agreement. The primary investment objective of endowment funds is to follow those policies that will preserve the principal value, provide predictable income and, to the extent possible with prudence, increase the principal to offset the long-term effects of inflation. Accordingly, over the long-term, Focus expects the current spending policy to allow its endowment to grow on an annual basis. Actual results in any given year may vary.

SUPPORT AND REVENUE

Contributions are recorded when made, which may be when cash and other assets are received or unconditionally promised. Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated amounts. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions. All contributions are considered available for use without donor restrictions unless specifically restricted by the donor.

Focus, through media and various publications, offers ministry-related materials to the public. These materials are available whether or not a contribution is made; however, a gift of any amount (GOAA) is requested. During the years ended September 30, 2020 and 2019, material costs of \$243,000 and \$648,000, were incurred, respectively, and are included in expenses in the consolidated statements of activities.

Sales consist primarily of film revenue and books and audio-visual material made to Focus constituents, distributors, and institutions.

Event revenue consists of Focus ministry events, marriage counseling, marriage enrichment retreats and conferences.

FUNCTIONAL ALLOCATION OF EXPENDITURES

The cost of providing the various programs has been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among the program services and supporting activities benefited. Salaries and benefits are allocated based upon time and effort, property depreciation is allocated based on square footage, equipment depreciation is allocated based on program usage, and remaining costs are allocated based on the purpose of the expense. The detailed schedule of the costs by program is included in the consolidated statement of functional expenses.

ADOPTION OF RECENTLY ISSUED PRONOUNCEMENTS

In 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made.* Focus adopted this new standard during the year ended September 30, 2020. This new standard provides guidance on determining whether transactions should be accounted for as an exchange transaction or a contribution and whether a contribution should be recorded as conditional or unconditional. Adoption of this standard had no effect on change in net assets or net assets in total.

During the year ended September 30, 2020, Focus also adopted the provision of FASB's ASU No. 2016-18 *Restricted Cash.* This new standard provided guidance on certain cash flow classification issues and clarified the presentation requirements for restricted cash on the consolidated statements of cash flows. Adoption of this standard had no effect on change in net assets or net assets in total. As a result of the implementation of this standard, amounts in the consolidated statement of cash flows for the year ended September 30, 2019 were changed to reflect the provisions of the standard.

RECLASSIFICATION

For the year ended September 30, 2019, \$3,000,000 was reclassified out of cash and cash equivalents and reported as cash restricted for long-term purposes.

Level 3 inputs are only used when Level 1 or Level 2 inputs were not available. Fair values of assets measured on a recurring basis at September 30, 2020 and 2019, are (in thousands):

16. RISKS AND UNCERTAINTIES:

In March of 2020, the World Health Organization declared the outbreak of the coronavirus (COVID-19) as a pandemic which continues to spread throughout the United States. COVID-19 has caused a severe negative impact on the world economy and has contributed to volatility in financial markets.

During this time Focus has continued to reach out to its constituents and serve them in ways befitting this new environment. Management has restricted travel to protect both the Focus team and those they may come in contact with. Focus has been able to move some events and interactions online while still being able to produce and distribute the Focus on the Family Daily Broadcast. Focus has shared a variety of family-oriented content via a streaming platform called Focus@Home. The main office workforce is mostly working remotely and it has still been possible to continue on-site counseling and marriage programming at the marriage retreat centers, depending on local conditions and regulation.

Management is carefully monitoring the situation and evaluating its options as circumstances evolve. The duration and impact of the COVID-19 pandemic, as well as the effectiveness of government and central bank responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of Focus for future periods.

17. <u>SUBSEQUENT EVENTS:</u>

Subsequent events were evaluated through January 25, 2021, which is the date the consolidated financial statements were available to be issued.
