

FOCUS ON THE FAMILY clubhouse DISCUSSION GUIDE

MARCH 2022

The March 2022 issue of *Focus on the Family Clubhouse* encourages kids to grow in Christ. Our faith is like a seed: it needs rich soil, water and pruning (Mark 4:20, John 7:38, John 15:2) to grow strong.

"But grow in the grace and knowledge of our Lord and Savior Jesus Christ." –2 Peter 3:18

After your child or grandchild has read the magazine, answer these questions as a family.

Planted in the Bible (pp. 6-7)

- 1 What's your favorite plant or vegetable? Why?
- 2 Would you rather be like aloe and bring comfort to people who are hurting or be like coriander and bring flavor to people's lives?
- 3 Do you always have faith like a mustard seed? Why or why not?

Dig In (pp. 12-13)

- 1 Read the parable of the sower in Matthew 13:1-23. How would you describe your soil?
- 2 When was the last time you were nice to an older neighbor? What did you do?
- 3 What's one spiritual habit that would keep the weeds out of the "garden" of your life?

Want a whole year of Average Boy fun? Go to AverageBoy.org to order his new novel, *Average Boy's Above-Average Year*.

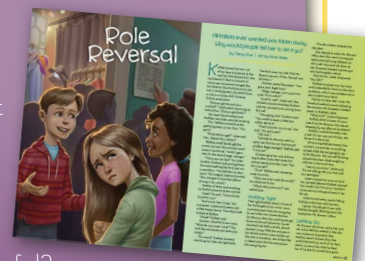

Extreme Athlete (pp. 20-21)

- 1 What's something you've worked hard to achieve? Have you finished it? If not, keep going!
- 2 Do you like team or individual sports better? Why?
- 3 How can good teammates keep you accountable?

Role Reversal (pp. 24-27)

- 1 What is your "banana"—something you want so badly you're willing to get hurt or hurt others for it?
- 2 How did Kallista's pride get in the way of her acting in a healthy way? Why is pride harmful?
- 3 What's the difference between giving up and letting go? Why is one bad and the other healthy?
- 4 Have you ever practiced an argument in a mirror? What happened when you talked to the actual person?

Family Prayer:

Dear Lord, we want to grow into people who follow Your will for our lives. Help us to develop good habits and plant good seeds for our future. Amen.
