

FOCUS ON THE FAMILY clubhouse DISCUSSION GUIDE

JUNE 2022

The June 2022 issue of *Focus on the Family Clubhouse* encourages kids to develop their identity in Christ. Who really are you? Your outlook matters along with your style, strengths and preferences.

"As water reflects the face, so the heart reflects the person."

—Proverbs 27:19

After your child or grandchild has read the magazine, answer these questions as a family.

Lose the Mustard (pp. 6-7)

- 1 Look at old photos of your parents as kids. Do they look like you? Identify traits you inherited.
- 2 What's your style? What outfit or activity makes you feel most like yourself?
- 3 Do you wish you could change part of your identity? Why do you think God made you the way you are?

4 Read Galatians 2:20. How does this verse fit into your identity?

Authentic & Animated (pp. 12-13)

- 1 Did your dreams as a little kid match who you are now? How?
- 2 Kyrie prays for each role. Do you talk to God about your future? What do you say? Does it feel weird?
- 3 If God gives us strengths, why do we have to practice or train?

Parents, for more family fun, try the "Would You Rather?" questions on page 21.

Fit In or Stand Out (pp. 24-27)

- 1 Would you rather be fake and popular or authentic with fewer friends?
- 2 How often do you compare yourself to other kids? What's the difference between sharing interests and copying someone?
- 3 What do you think Kellie wrote in Emily's yearbook?

Sleuth Family Robinson (pp. 30-31)

- 1 Do you see the internet as exciting or dangerous? What's your favorite thing online?
- 2 Phishers, tracking cookies and pings exist in the real world. How can you keep personal information safe?
- 3 Nadia knew the dangers because she's a hacker. How can God use our previous bad choices for good?

Family Prayer:

Dear Lord, You made me unique. Help me grow into my strengths and pursue the right dreams. I put my life in Your loving hands. Amen.
