

FOCUS ON THE FAMILY clubHouse

AUGUST 2022
DISCUSSION GUIDE

The August 2022 issue of *Focus on the Family Clubhouse* is written and illustrated by our readers. That means it's packed with creativity, talent and important topics!

"Jesus said, 'Let the little children come to me . . . for to such belongs the kingdom of heaven.'" —Matthew 19:14 (ESV)

After your child or grandchild has read the magazine, answer these questions as a family.

Lighthouse (p. 5)

- 1 Tucker got run over and still thanked God! When bad things happen, do you pray, panic or get mad? Why?
- 2 Do you have any stories of God's protection or healing? Read Daniel 3, 2 Kings 5 and Acts 27. Do you believe that same God is still working today? Explain.
- 3 How can you love your siblings like

Mirren loves Lyra?

In God's Orbit (p. 13)

- 1 What (or who) is the center of your universe? Whose opinion do you care about most?
- 2 As science and technology develops, theories can change. How does scientific truth differ from biblical truth?

Parents, did your kids take Average Boy's Above Average Summer challenge in the June issue? The deadline is **Wednesday, August 31.**

Bible Stories (pp. 16-17)

- 1 Would you taste the food from Elisha's miracle, or would you wait for someone else to eat before you?
- 2 Who can you "carry" to Jesus? Think about friends, teammates, neighbors or relatives who haven't heard the Good News.
- 3 Have you ever sinned so badly it feels like God will never forgive you? What happened when the thief asked Jesus for forgiveness?

T-Rex the Herbivore (p. 20)

- 1 How much would you change about yourself to make a new friend? Do you expect others to change for you?
- 2 Should T-Rex stay friends with Bumpy? If so, how?
- 3 What character qualities do you appreciate most about your friends?
