STAND WITH US IN UNITED PRAYER FOR AMERICA'S FAMILIES AND FUTURE.

[Donate Now](#)

The nation our forefathers envisioned is a little hard to recognize these days. Religious freedoms are under attack. The courts and culture have created a generation with little regard for life. And families are broken as society has chipped away at the roles of husbands, wives, and parents. Is there hope for America? Yes! God has provided a powerful tool to restore families' impact on culture — prayer. Join us as we commit to 30 Days of Prayer for America. As we approach Independence Day, now is the perfect time to unite in prayer for a return to the faith and morals our nation was founded upon. God will use our prayers to strengthen families and bring healing to America!

“... “If my people who are called by my name humble themselves, and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land.”
