**Easy Ways to  
Support Your Clients**

**Here are some ideas on  
ways to use this website:**

**Bookmark this website.  
Save it for easy access.**

**When the client is in the office, click on the link for the most appropriate video and share it in the office.**

**You can also copy the link and put it in a text if the client would like to watch it again.**

**Share the video with the client in a separate room away from distractions.**

**Share the videos with all of your staff and volunteers.**

**This is intended to be a tool and will help everyone get on the same page.**
