SUPPLIES

- washed canvas tote bag
- fabric pens (blue and pink)
- ruler (longer than tote width)
- pencil

DIRECTIONS

1. Lay tote bag flat on a work surface.
2. To make the pink line: Starting 3 inches from the left side of the tote, make pencil marks at the top and bottom of the bag.
3. Using a ruler and the pink fabric pen, connect the penciled marks in a vertical line down the bag.
4. To make the blue lines: Lay your ruler on the left side of the tote so it reaches from the bottom to the top. Then draw light marks 1 inch apart. Continue making marks 1 inch apart, until you reach your desired design height. Repeat on the right side of the tote.
