

GOD BLESS AMERICA THROUGH 31 DAYS OF *Prayer*

I think you and I would agree that we are blessed to live in America. It's a country founded on faith and freedoms that have been fought for and defended for nearly 250 years. It is a precious treasure that has been passed down through generations. Now it is our turn to defend and protect. Forces are against our beloved nation, seeking to tear her down at her very foundation—the family. So, I ask you to join me in fighting for America on your knees. There is no more powerful weapon than prayer. Join us as we commit to 31 Days of Prayer for America and her families. The month that we celebrate our nation's independence is the perfect time to unite in prayer for a return to the faith and morals our nation was founded upon. God will use your prayers to redeem families and bring healing to America!

"Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God."
