## 30 Days of Prayer for America

*We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness.*

-EXCERPT FROM DECLARATION OF INDEPENDENCE ON JULY 4, 1776

**T**his year, America celebrates an incredible 250 years of faith, family, and freedom! We are blessed to live in a country established by our founding fathers with foresight and wisdom. Generations have spent their blood, sweat and tears to uphold these rights. Now it is our turn to defend and protect. A stronger America starts by investing in her families. There is no greater tool to save and strengthen our nation's families than prayer. Please join us for 30 Days of Prayer for America and her families. God has promised to hear our prayers!

## We hold these truths to be self-evident . . .

**DAY 1:** Pray that God's people will share the truth of His Word.

*Heavenly Father,*

*In our confusing and chaotic culture, people need the light of truth. In Matthew 5, Jesus called God's people to be "the light of the world." I pray that you use me and other believers to shine truth into the darkness for this world. Give me the courage and strength to stand up for Scriptural principles and morality even under persecution. Amen.*

**DAY 2:** Pray for healthy marriages according to Scripture.

*Heavenly Father,*

*Your divine establishment of marriage in Scripture reveals that marriage is between one man and one woman. Help couples stand on that truth and give them the tools they need to withstand challenges. Strengthen relationships and grow faith. Please save couples in crisis from divorce. Bring hope, peace, and biblical truth to those who are struggling. Amen.*

**DAY 3:** Pray for America's churches to impact families with truth.

*Heavenly Father,*

*Thank you for the freedom we have in America to meet and worship together in our churches. Please move in the hearts of congregation members across the country with a passion to share your hope and truth with families. Equip the church to be a light for families and their communities. Amen.*

**DAY 4:** Pray for church workers and volunteers to share the Gospel in love.

*Heavenly Father,*

*Today, I come to you in prayer for those who share your truth and hope as workers in the church. Will you anoint pastors, church workers, and volunteers to be your hands and feet in the community? Give them compassion, courage, energy and patience as they shine the light of hope to those around them. Instill in them wisdom to pass along your messages to families of today. Amen.*

**DAY 5:** Pray for policies and proposals against transgenderism.

*Heavenly Father,*

*Thank you for those who are speaking up for the truth about men and women. Guide our leaders to protect the innocent in sports, on school campuses, and in the workplace. Inspire lawmakers to fight the lies that promote gender confusion and harmful transgender policies. Amen.*

**DAY 6:** Pray for policies that support the family.

*Heavenly Father,*

*For 250 years, families have been the backbone of our nation. I pray today that you instill truth in our leaders and a heart for the traditional family. Guide them in their work to protect the family from attacks and harm. From parental rights to valuing life, bring policies to light that support your plan for the family as found in Scripture. Amen.*
