

# Internet Safety Contract

- I will not give anyone information about myself while I am online. This includes my name, age, address, telephone number, school, family information, passwords, online surveys or anything else my parent/guardian forbids.
- I will tell my parent/guardian when I find any uncomfortable stuff while I am on the Internet. This includes bad words and pictures, mean threats or anything that makes me feel scared or weird.
- I will not send inappropriate pictures or videos of myself or others through the Internet, email or text.
- I will not go online at a friend's house without my parent's/guardian's permission.
- If someone sends me a mean message, I will ignore it and tell my parent/guardian. I will not respond to the message.
- I will not write anything mean or nasty online that could upset my friends.
- I understand that bad people online can pretend to be my age. I will not talk to strangers or agree to meet anyone who I do not know.
- I promise to follow the rules my parent/guardian sets for me.

I understand that using the Internet is a privilege, and my parent/guardian made these rules because he or she cares for me. I understand that if I break the rules my parent/guardian set, I will be unable to use the Internet.
